PORTABLE X-RAY GENERATORS

BALTOSPOT Series - CERAM

The BALTOSPOT Series is comprised of three divisions of directional and panoramic x-ray generators with varying specifications corresponding to different applications, field activities and budgets.

The CERAM X-Ray generators are pulsed wave units available in maximum capacities of 235 and 300kV. They are directional tubes which contain ceramic tubeheads with a copper external anode and a beryllium window.

Features

- Portable
- 100% Duty cycle
- Ceramic tubehead
- Efficient cooling
- Pulsed wave high voltage generator
- Energy saver

TO: Louisiana Veteran-Owned and Service-Connected Disabled Veteran-Owned Small Entrepreneurships

FROM: Denise Lea
Assistant Commissioner

DATE: November 23, 2009

RE: Veteran Initiative – Act 167 of the 2009 Legislative Session

► ARE YOU ELIGIBLE FOR PARTICIPATION?

- Are you a veteran-owned small entrepreneurship or a service-connected disabled veteran-owned small entrepreneurship in accordance with documentation from the United States Department of Veterans Affairs or the Louisiana Department of Veterans Affairs?
- Are you a Louisiana domiciled business?
- Do you have less than fifty (50) full-time employees?
- Are your annual gross revenue receipts \$5,000,000 or less (for construction) or \$3,000,000 for (non-construction) for each of the previous 3 tax years?

If your answers are yes, your company may be eligible for participation in the Louisiana Veteran-Owned and Service-Connected Disabled Veteran-Owned Small Entrepreneurship Program, also known as the Veteran Initiative.

► WHAT IS THE VETERAN INITIATIVE?

The Veteran Initiative, created by LRS 39:2171 through 2179 and LRS 51:931, provides additional opportunities for certified Louisiana-based small entrepreneurship to participate in contracting and procurement with the State. Key features of the program are:

- This is a goal-oriented program
- It is race and gender neutral
- Participation is restricted to Louisiana-based certified veteran-owned and service-connected disabled veteran-owned small entrepreneurship

The Rules governing the implementation of the program are located at <http://www.doa.louisiana.gov/osp/se/se.htm>

► **WHY IS CERTIFICATION IMPORTANT?**

Certification is required for your participation in the Veteran Initiative. Under this program, you may be given increased opportunity to participate in Louisiana state contracts. Certain contracts may be awarded to your business without competition. And, certification is one of the methods that the State of Louisiana will utilize as a basis for benchmarking for annualized procurement and contracting goals.

► **WHAT AGENCY IS RESPONSIBLE FOR CERTIFICATION?**

The Louisiana Department of Economic Development (LED) is responsible for certifying Small entrepreneurship for participation in the program. The (LED) Small Business Certification System may be accessed at https://smallbiz.louisianaforward.com/index_2.asp. For additional information regarding certification, please contact LED at (225) 342-3000.

► **WHAT IS THE ROLE OF THE DEPARTMENT OF VETERANS AFFAIRS?**

The Louisiana Department of Veterans Affairs is responsible for disseminating information on this program and other veterans' benefits to Louisiana veterans. Information on this program and other veterans' benefits can be accessed at www.vetaffairs.la.gov.

The State of Louisiana is committed to the success of this program and encourages your participation.
